Public Input

Route 67 Zoning

Supervisor Kinowski spoke on Route 67 in the Town and the impact it will sustain with the planned redevelopment for the rail yard in the Town of Halfmoon. He stated that he would like to take up again looking at ways to develop a business area, not just an industrial park. Supervisor Kinowski stated that he would like to see the Town do something that wouldn't change the outlay of the land.

Art G commented that most businesses are leaving the Town & Village and for years the Board has not been successful bringing businesses to the area. Supervisor Kinowski stated that because they weren't successful in the past that they should stop trying

Mike C stated that the needs something like this to take the tax burden off the residents.

He requested that the Engineer and Attorney look for language already written to lesson the cost down the road and to allow the Planning & Zoning Boards more flexibility. He stated that he would like something available for the March meeting.

Other Business

Supervisor Kinowski

Family Day: Supervisor Kinowski stated that the Community Center does not want to run Family Day but would still like to participate. He inquired as to what the Board members would like to do

A general discussion was held on Family Day in regard to making changes to the time and venues. More discussion will be held at February business meeting.

Activities Calendar: Supervisor Kinowski stated that he would like to see an activities calendar put together so that town events don't overlapped each other.

Dog Licensing: Supervisor Kinowski requested that the Town Attorney reexamine the dog licensing issue where there are problems enforcing the Local Law and getting people to abide by the Law.

2010 Budget: Supervisor Kinowski stated that he would give the exact numbers at a later meeting. A brief discussion was held on 2010 revenues and appropriations.

Town Hall BLDG: Supervisor Kinowski stated that he has received three quotes on repairs to the men’s bathroom but thinks they need to defer the project until the spring if possible.

Trail Committee: Supervisor Kinowski stated that he has three people interested in being on the trail committee and would like two more.

Councilman Baker

Community Center Gym Floor: Councilman Baker requested a resolution for the next meeting to have the gym floor repaired.
Discussion was held on obtaining quotes which should also contain insurance policy, references and guarantee.

Public Input

Coke C. commented on the sewer district extension in regard to residents in and around Kellogg Road area, helping people who have lived in Stillwater for years and not just helping the new residents in developments.
Supervisor Kinowski went over the process, MPR required and cost to create a district.
After a brief discussion the consensus of the Town Board was to look further into a sewer district in the Kellogg Road area.

John V commented on water problems in Saratoga Hills and plowing of snow in front of his driveway.
Supervisor Kinowski stated that the Health Dept is overseeing the water problem.
