James Trainor, Attorney for the Town
Joe Lanaro, Engineer for the Town
John Nett, Police Commissioner

Absent/Excused: None.

Supervisor Kinowski called the meeting to order and led everyone in the Pledge to the Flag.

Danielle Cowin, Town Clerk took the roll call.

Adoption of Minutes:

Motion by Councilmember Vomacka and seconded by Councilmember Weaver to adopt the meeting minutes of February 20, 2025

Motion carried.

Agenda Items- Resolutions No.s 10-17

Resolution No. 10

A Resolution Regarding the Required Audit/Examination of the Town Court

Introduced by: Supervisor Kinowski

WHEREAS, the Stillwater Town Board is required to do an annual audit/examination of the Town Court of the Town of Stillwater; and

WHEREAS, an audit/examination of the Town Court's records was completed on February 26, 2025 and a copy of the results of the examination and this Resolution must be presented to the State of New York Unified Court System;

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board has completed, reviewed and accepted the necessary audit/examination and the results will be emailed or mailed to the New York State Office of Court Administration.

A motion by Councilmember Baker, seconded by Councilmember Vomacka, to adopt Resolution No. 10 of 2025.

A roll call vote was taken on Resolution No. 10 of 2025 as follows:

Supervisor Kinowski	YES
Councilmember Baker	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES

Resolution No. 10 of 2025 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on March 20, 2025.

Resolution No. 12 of 2025 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on March 20, 2025.

Resolution No. 13

A Resolution to Set a Public Hearing Regarding Local Law 1 of 2025, a Local Law to Amend or Rescind the Town’s Refuse Ordinances

Introduced by: Supervisor Kinowski

WHEREAS, Chapter 172 of the Town Code, entitled “Solid Waste”, combined Ordinances from 1963, 1972 and 1990 to regulate the dumping of refuse within the Town of Stillwater; and

WHEREAS, the Town does not operate a refuse disposal area and no longer wishes to allow the dumping of refuse within the Town boundaries; and

WHEREAS, a public hearing and a local law are necessary to amend or repeal the ordinances allowing the dumping of refuse in Town.

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board hereby schedules a public hearing to consider Local Law 1 of 2025, a local law to amend or repeal Ordinances 5-27-1963, 7-25-1972 and Ordinance Number 2 of 1990 regulating the dumping of refuse within the Town of Stillwater.

A motion by Councilmember Baker, seconded by Councilmember Vomacka to adopt Resolution No. 13 of 2025.

A roll call was taken on Resolution No. 13 of 2025 as follows:

Supervisor Kinowski	YES
Councilmember Baker	YES
Councilmember Vomacka	YES
Councilmember D’Ambro	YES

Supervisor Kinowski	YES
---------------------	-----

Councilmember Baker	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES

Resolution No. 14 of 2025 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on March 20, 2025.

Resolution 15

A Resolution Authorizing the Supervisor's Signature On LaBella Engineering 2025 Engagement Agreement #12 Regarding Stillwater Area Community Center HVAC Improvements

Introduced by: Supervisor Kinowski

WHEREAS upon the Supervisor's request, LaBella Associates presented the Town with 2025 Engagement Agreement 12, a copy of which is attached hereto, to authorize professional services regarding SACC HVAC Improvements; and

WHEREAS the professional services will include a grant application to analyze existing facility conditions and will include a proposed estimate of probable costs for the proposed improvements, as described in the attached Agreement, and are to be provided at an estimated cost of \$17,000.

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board hereby authorizes the Supervisor's signature on the attached 2025 Engagement Agreement 12 with LaBella Associates to provide professional services related to SACC HVAC Improvements at a projected cost of \$17,000.

A motion by Councilmember Baker, seconded by Councilmember Vomacka, to adopt Resolution No. 15 of 2025.

A roll call was taken on Resolution No. 15 of 2025 as follows:

Supervisor Kinowski	YES
Councilmember Baker	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES

Resolution No. 15 of 2025 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on March 20, 2025.

Resolution No. 16

A Resolution Authorizing the Supervisor's Signature On LaBella Engineering 2025 Engagement Agreement #13 Regarding Landfill Monitoring Point Replacements

Introduced by: Supervisor Kinowski

WHEREAS upon the Supervisor's request, LaBella Associates presented the Town with 2025 Engagement Agreement 13, a copy of which is attached hereto, to authorize professional services regarding Landfill Monitoring Point Replacements; and

WHEREAS the professional services will include installing two replacement perimeter landfill gas monitoring points as described in the attached Agreement, and are to be provided at an estimated cost of \$3,800.

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board hereby authorizes the Supervisor's signature on the attached 2025 Engagement Agreement 13 with LaBella Associates to provide professional services related to the installation of two replacement perimeter landfill gas monitoring points for an estimated cost of \$3,800.

A motion by Councilmember Baker, seconded by Councilmember Vomacka, to adopt Resolution No. 16 of 2025.

A roll call was taken on Resolution No. 16 of 2025 as follows:

Supervisor Kinowski	YES
Councilmember Baker	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES

Resolution No. 16 of 2025 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on March 20, 2025.

Resolution No. 17

A Resolution to Schedule a Joint Board Workshop Regarding Proposed Changes to the Town's Zoning Code

Introduced by: Supervisor Kinowski

WHEREAS, the Town's Senior Planner and LaBella Engineering are recommending comprehensive amendments to the Town's Zoning Code and related Town Code provisions; and

WHEREAS, the Town Board would like to have the recommended changes presented to the Town Board, Planning Board and the Zoning Board of Appeals together.

NOW, THEREFORE, BE IT

RESOLVED, that a Joint Board Workshop is hereby scheduled for April 17, 2025 at Town Hall, 881 Hudson Avenue, Stillwater beginning at 6:00 pm for the Town's Senior Planner and LaBella Engineering to present their proposed amendments to the Town's Zoning Code and related Town Code provisions.

A motion by Councilmember Baker, seconded by Councilmember Vomacka to adopt Resolution No. 17 of 2025.

A roll call was taken on Resolution No. 17 of 2025 as follows:

Supervisor Kinowski	YES
Councilmember Baker	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES

Resolution No. 17 of 2025 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on March 20, 2025.

Other Business

Query of the Board

Councilmember Vomacka

Ellen stated ongoing projects with the Historian Mackenzie Macey, such as the implementation of a free QR code system for buying commemorative bricks, weeding out files and the relocation of equipment to the new office.

She mentioned plans to discuss the blockhouse roof with Jason Christopher in April and the need to address the preservation of the Black House wood.

Supervisor Kinowski

Read a letter asking for support from a local trap shooting program for youth.

The board discussed supporting the trap shooting program for youth with a \$1,000 donation from Parks and Recreation funds. Supervisor clarified that this is not a school program but an outside initiative focused on gun safety and responsible handling. The board voted to approve the funding, with some discussion about ensuring proper safety measures and instructor certifications. John Nett to verify that trap team instructors are NRA certified.

Final salary determinations for summer help were received. Supervisor mentioned plans to send an email to board members regarding salary determinations, particularly lifeguards, to remain competitive with state rates. The State rate is at \$20.00 per hour. Sue Cunningham has filled all the positions.

The Supervisor brought the attention to the board members regarding the heating system in the community center and upgrading options. It was proposed using mini-split systems instead of replacing the existing boilers, stating that this approach would be more flexible and cost-effective in the long run. The Board considered factors such as energy efficiency, insulation, and the varying temperature needs of different rooms.

Labella Associates will conduct an engineering study on HVAC improvements for the Community Center.

Town Clerk

Danielle questioned the responsibility for historical signs in the town, noting conflicting information about whether municipalities or the state are responsible for their maintenance. She plans to verify this information with Tom Richardson from the Chamber of Commerce. Discussion was held about the placement of signs on private property and in public right-of-way. Attorney Jim Trainor suggested that most signs are likely in the public right-of-way and may not require permission from landowners.

Danielle mentioned that some surrounding towns are working on cleaning up their signs for the upcoming 250th anniversary celebration and questioned if the Town of Stillwater can do the same.

Danielle questioned the date for opening of the parks. Barbara (Deputy) is getting many phone calls for reservations for birthday and graduation parties. The board held discussion on some scheduled to open on May 1st, weather permitting. Supervisor explained the process of inspecting equipment and ensuring field conditions are suitable before opening as sometimes we get pressure from the public to open earlier.

The Family Day event is planned for September 13th at Post 490, featuring fireworks, two local bands, and carnival rides. Danielle also mentioned ongoing projects, including high school students creating artwork for a collage display in the town board room.

The implementation of the online dog system is in progress.

Councilmember Weaver

Jen announced the confirmed date for the town-wide cleanup day for May 10th and outlined new pricing structures for different vehicle types participating in the event, ranging from \$5-\$10 for car loads, pick up \$10-\$20 and \$40 for 20-foot trucks. All depending on load sizes.

She is looking to have E-waste collection on May 31st. Superintendent Doughty will check on availability of employees to work that day.

Highway Superintendent

Billy Doughty discussed the water main break issues this week on Kellogg Rd. 2,000 gallons a minute broke 10ft away. Boil water notices were sent out to local area neighbors.

Supervisor Kinowski expressed the need for a standard notification plan for board members and other relevant parties. A plan is needed for immediate notifications in case of future water breaks. Billy will send Shelby a standard notification list for water breaks to notify the relevant parties.

Police Commissioner

John Nett announced positive news about grant money received for the gun range project. It was approved from the DEC. He provided police activity statistics for the month. See report attached

Public Input

Mayor Judy Wood-Zeno

The village garage sales have been scheduled for May 17 & 18th, 2025.

Village Board approved payment for 1 of 2 bands for Family Day 2025.

Judy announced a plan to light up the village between the town's community center craft fair and the village tree lighting event. She stated there is time in the day in between these two events with nothing going on. She suggested various activities, including a band, singing

group, and a live nativity. She also mentioned the possibility of setting pop up tents in the village parking lot for selling Christmas cookies and pies etc. She is encouraging businesses to participate and sell their products during the celebrations.

Supervisor Kinowski mentioned the need for traffic control measures due to potential slippery sidewalks and snowy conditions. Judy to reach out to Paul regarding traffic control measures for the planned Christmas village event.

Express Newspaper

Tom Mahoney briefly touched on ideas for a winter celebration, including the possibility of organizing sleigh rides.

The Town Clerk presented the following for the Town Boards review.

Town Clerks Monthly (attached) and

Audited Claims

March 7	General	\$33,415.62
	Town Outside	\$14,452.08
	Highway	\$22,872.84

Stillwater, NY 12170

RE: Sponsorship Request

Dear Supervisor Kinowski & Town Board Members

Let me take this opportunity to introduce you to the Stillwater Trap Club. The Stillwater Trap Club consists of male & female students from the Stillwater School District ranging from 7th grade to 12th Grade. The Stillwater Trap Club shoots every Sunday at the Fish Creek Rod & Gun Club. On top of this the coaches have an open shoot for other kids and adults after the Trap Team does their competition rounds. It is open to the public to come in and watch.

The Stillwater Trap Club has been practicing their shooting since February with competition shooting starting in two weeks. The students will be competing every Sunday and their scores will be added to a data base with other schools. They will also compete in Hudson Falls against a few hundred other young athletes and in the State competition in the summer. All this comes at a high cost to the student/parent.

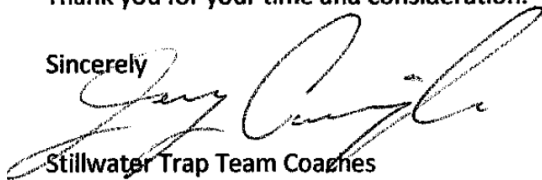

Our goal is to raise \$10,000 through various endeavors such as raffles, kids shoot a thon, applying for grants and reaching out to local Businesses, Families, and Friends for sponsorships. All donations raised will be targeted exclusively towards covering the expenses associated with trap shooting; such as: uniform shirts & hats, ammo, clays, shot cam, dummy gun, voice activated trap release system, etc.

Would you please consider sponsoring the Stillwater Trap Club in order for them to reach their goal and to help continue this growing sport in the future. With your sponsorship you will be helping young adults participate in a lifelong sport, develop safe gun handling and practices and provide them with a safe and educational opportunity.

If you find that the requested sponsorship fits within the scope of the Parks & Recreation budget please make check payable to the **Stillwater Trap Club**.

Thank you for your time and consideration.

Sincerely

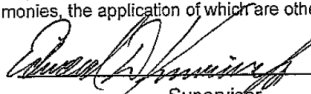

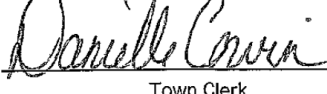

Stillwater Trap Team Coaches
Chuck Law, Head Coach
Jeremy Cunningham, Coach
Scott Wagner, Coach

PS: Last year there was one student who scored high enough throughout the competitions that was invited to the National competition in Michigan. Although he was unable to go he placed 12th out of 275 local competitors. First time shooting-pretty good.
