

TOWN OF STILLWATER

ESTABLISHED 1788 – SITE OF THE TURNING POINT OF THE AMERICAN REVOLUTION

Town Board Meeting Minutes July 16, 2026 - 7:00 PM at Stillwater Town Hall

Present: Supervisor Ed Kinowski
Councilmember Ellen Vomacka
Councilmember Chris D'Ambro
Councilmember Jennifer Weaver
Councilmember Williams

Also Present: Danielle Cowin, Town Clerk
Bill Doughty, Superintendent of Highways
James Trainor, Attorney for the Town
Joe Lanaro, Engineer for the Town
John Nett, Police Commissioner

Absent/Excused: NA

Supervisor Kinowski called the meeting to order and led everyone in the Pledge to the Flag.

Danielle Cowin Town Clerk, took the roll call.

Adoption of Minutes:

Motion by Councilmember D'Ambro and seconded by Councilmember Williams to adopt the minutes of June 18, 2026.

Motion carried.

Agenda Items PUBLIC HEARING -Spectrum Franchise Agreement
BIDS FOR OPENING- Bids for Diesel, Gas and Heating Fuel
Resolution No. 22 (TABLED) - Repair/Replacement of Boilers at the SACC
Resolutions No. 56-62

PUBLIC HEARING -Spectrum Franchise Agreement

The Spectrum Franchise Agreement public hearing was opened but immediately postponed because a publication timing issue; Resolution 61 was tabled to the next meeting. The town clerk submitted the notice to the Express News shortly before the meeting, with publication expected that weekend. Supervisor Kinowski noted that Spectrum is proposing to increase its franchise rate from 3% to 5%, a change that has already been implemented in all surrounding communities. The town has held the rate at 3% for several years. While the increase will generate additional revenue for the town, it will also result in a slight increase in homeowner cable rates.

BIDS FOR OPENING- Bids for Diesel, Gas and Heating Fuel

The town received bids from three vendors — John Ray and Sons, Bowlby, and Morvito — for diesel fuel, gasoline (91 octane non-ethanol and 87 octane ethanol), heating oil, and propane. Prices

are based on current rack pricing, meaning they adjust as the rack price fluctuates from the established base.

After considerable discussion and analysis of the bid sheets, the board reached the following tentative determinations:

- **Diesel:** John Ray and Sons — lowest responsible bidder at a \$0.19 markup
- **Heating Oil:** John Ray and Sons — \$0.19 markup
- **91 Octane Non-Ethanol Gasoline (Marina):** Morvito — \$0.30 markup
- **87 Octane Ethanol Gasoline:** Bove — \$0.23 markup
- **Propane:** Bove — \$0.30 markup (town owns the propane tanks, so no vendor tank dependency)

The contract period runs from July 17, 2026 through July 1, 2028. Resolution 57 was formally adopted reflecting these awards. The board noted that while Morvito had not previously done business with the town, the price difference on 91 octane gasoline was approximately \$0.05 per gallon, and the board agreed it was a reasonable opportunity to establish a new vendor relationship.

It was questioned whether the town should switch to Morvito for 91 octane gasoline given the marginal price difference?

The board agreed that since the town owns the marina tank and the price difference is minimal, giving Morvito an opportunity to do business with the town could be beneficial for future competitive bidding.

Resolution No. 22 (Previously TABLED) - Repair/Replacement of Boilers at the SACC Resolution 22, which had been tabled on multiple prior occasions, was untabled and approved unanimously. The resolution authorizes CNC to perform repair work on the town's boiler, which was described as being in poor condition. The cost is not to exceed \$12,500. CNC had previously conducted the investigation and assessment of the boiler.

Resolutions No. 56-62

Resolution No. 56

A Resolution Authorizing the Supervisor's Signature on LaBella Engineering Engagement Agreement 17 of 2026 Regarding the Global Foundries Soil Disturbance Permit

Introduced by: Supervisor

WHEREAS upon the Supervisor's request, LaBella Associates presented the Town with Engagement Agreement 17 of 2026 regarding Professional Services regarding the review of the Global Foundries Soil Disturbance Permit Application, a copy of which is attached hereto; and

WHEREAS the estimated cost of the professional services to be provided is \$15,000, and any additional services over those outlined will require an amendment to the Agreement.

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board hereby authorizes the Supervisor's signature on the attached Engagement Agreement 17 of 2026 regarding Professional Services for review of the Global Foundries Soil Disturbance Permit Application.

A motion by Councilmember Williams, seconded by Councilmember Weaver, to adopt Resolution No. 56 of 2026.

A roll call was taken on Resolution No. 56 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES
Councilmember Williams	YES

Resolution No. 56 of 2026 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Resolution No. 57

A Resolution Awarding Contracts For Gas, Diesel Fuel, Propane and Heating Oil

Introduced by: Supervisor

WHEREAS, Highway Superintendent Doughty has solicited bids for Gas, Diesel Fuel and Heating Oil; and

WHEREAS the Town received responsive bids from three bidders, and the Highway Superintendent has reviewed them and is recommending awarding contracts for these items.

NOW, THEREFORE, BE IT

RESOLVED, the Town Board finds John Ray & Sons Inc. to be the lowest and most responsive bidder for Diesel at \$.19 markup; and be it further

RESOLVED, the Town Board finds John Ray & Sons Inc. to be the lowest and most responsive bidder for #2 Heating Oil at \$.19 markup; and be it further

RESOLVED, the Town Board finds Mirabito Energy Products to be the lowest and most responsive bidder for gasoline at \$.30 markup on 91 non-ethanol (Marina) and G.A. Bove to be the lowest and most responsible bidder at \$.23 markup on 87 ethanol (Vehicles) and \$1.2266 markup on Propane; and be it further

RESOLVED, that the Town Board hereby awards contracts for the supply of Diesel Fuel to John Ray and Sons Inc. and for 91 non-ethanol Gasoline to Mirabito Energy Products and 87 ethanol Gasoline and Propane to G.A. Bove & Sons Inc. and #2 Heating Oil to John Ray & Sons Inc. at their respective bid prices; and be it further

RESOLVED, that the Supervisor is authorized to sign Agreements with the successful bidders at their respective bid prices listed.

A motion by Councilmember Williams, seconded by Councilmember Weaver, to adopt Resolution No. 57 of 2026.

A roll call was taken on Resolution No. 57 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES
Councilmember Williams	YES

Resolution No. 57 of 2026 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Resolution No. 58

A Resolution Authorizing Submission of A NYS Department of State
Epf Local Waterfront Revitalization Program Grant Application

WHEREAS, the Town of Stillwater proposes a nature-based shoreline stabilization project to address erosion to 300 linear feet of Saratoga Lake shoreline and raingarden re-grading plan for erosion occurring on the south side of the beach along Route 9P; and

WHEREAS, the project is located within the Town of Stillwater and Brown's Beach is the only public access to Saratoga Lake; and

WHEREAS, DOS through the Environmental Protection Fund is soliciting applications from eligible applicants for Local Waterfront Revitalization Program (LWRP); and

WHEREAS, the Town of Stillwater will use cash to pay the upfront cost of the erosion control measure including the 25% match; and

NOW THEREFORE,

RESOLVED, that the Town of Stillwater authorizes and empowers the Town Supervisor to sign and submit a Local Waterfront Revitalization Program grant application to NYS DOS; and it is

FURTHER RESOLVED, that this Resolution shall take effect immediately.

A motion by Councilmember Williams, seconded by Councilmember Weaver, to adopt Resolution No. 58 of 2026.

A roll call was taken on Resolution No. 58 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES
Councilmember Williams	YES

Resolution No. 58 of 2026 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Resolution No. 59

A Resolution Accepting Resignation of Mary Beth Reilly from the Planning Board

WHEREAS, Mary Beth Reilly has been a member of the Planning Board for many years; and

WHEREAS, the Town Board has received a letter of resignation from Mary Beth Reilly due to her family's relocation.

NOW, THEREFORE, BE IT

RESOLVED, that the Town Board hereby accepts the resignation of Mary Beth Reilly from the Planning Board, thanks Ms. Reilly for her many years of dedicated service to the residents of the Town of Stillwater and wishes her and her family well in their future endeavors.

A motion by Councilmember Williams, seconded by Councilmember Weaver, to adopt Resolution No. 59 of 2026.

A roll call was taken on Resolution No. 59 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES
Councilmember Williams	YES

Resolution No. 59 of 2026 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Resolution No. 60

A Resolution Accepting Dedication of Winding Brook Road

Introduced: Supervisor Kinowski

WHEREAS, Winding Brook Condos LLC has requested to dedicate Winding Brook Road to the Town in order to satisfy a condition of their project approval; and

WHEREAS, the applicant has now substantially complied with the Town's procedures for acceptance and dedication of roadways as reviewed by the planners, engineers and attorneys for the Town.

NOW, THEREFORE, BE IT

RESOLVED, that the Town accepts the dedication of Winding Brook Road, as described in the accompanying Warranty Deed from Winding Brook Condos, LLC, conditional upon the items on the Highway, Planning, Zoning and Building checklists, the legal review requirements, letter of credit and tax payments or escrows, being satisfied prior to the recording of the transfer documents; and be it further

RESOLVED, that the acceptance of this dedication of property shall be further subject to compliance with the Memorandum of Understanding regarding the conditions required by the Town Supervisor, and the Highway Superintendent, as well as the engineers and attorneys for the Town as they deem appropriate; and be it further

RESOLVED, that the Supervisor is hereby authorized to sign and the attorneys, planners and engineers for the Town are requested to prepare and file all necessary documents to effectuate the transfer of Winding Brook Road as specified herein.

A motion by Councilmember Williams, seconded by Councilmember Weaver, to adopt Resolution No. 60 of 2026.

A roll call was taken on Resolution No. 60 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	RECUSED
Councilmember Weaver	YES
Councilmember Williams	YES

Resolution No. 60 of 2026 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Resolution No. 61

A Resolution Authorizing the Supervisor's Signature on Spectrum Franchise Agreement

Introduced by: Supervisor

WHEREAS, an application has been duly made to the Board of the **Town of Stillwater, County of Saratoga**, New York, by **Spectrum Northeast, LLC**, an indirect subsidiary of Charter Communications, Inc. ("Charter"), a limited liability company organized and existing in good standing under the laws of State of Delaware doing business at 2604 Seneca Avenue, Niagara Falls, NY 14305, for the approval of a renewal agreement for Charter's cable television franchise for Fifteen (15) years commencing with the date of approval by the Public Service Commission; and

WHEREAS, the franchise renewal agreement would bring the franchise into conformity with certain provisions of the Federal Cable Communications Policy Act of 1984, as amended, and certain court rulings; and

WHEREAS, a public hearing was not held in the Town of Stillwater, New York on July 16, 2026 at 7:00 P.M. as notice of the hearing was not yet published in the Town's official newspaper at least ten (10) days prior to the public hearing.

NOW, THEREFORE, the Board of the Town of Stillwater finds that:

1. Spectrum Northeast, LLC has substantially complied with the material terms and conditions of its existing franchise and with applicable law; and

2. Spectrum Northeast, LLC has the financial, legal and technical ability to provide these services, facilities and equipment as set forth in its proposal attached; and
3. Spectrum Northeast, LLC can reasonably meet the future cable-related community needs and interests, taking into account the cost of meeting such needs and interests.

BE IT FURTHER RESOLVED that the Board of the **Town of Stillwater** hereby grants the cable television franchise of Spectrum Northeast, LLC and the **Town of Stillwater** for fifteen (15) years commencing with the date of approval by the Public Service Commission and expiring fifteen (15) years hence.

BE IT FURTHER RESOLVED that the Board of the **Town of Stillwater** hereby confirms acceptance of this franchise renewal agreement.

A motion by Councilmember Vomacka, seconded by Councilmember D'Ambro, to **TABLE** Resolution No. 61 of 2026.

A roll call was taken to TABLE Resolution No. 61 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES
Councilmember Williams	RECUSED

Resolution No. 61 of 2026 was TABLED at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Resolution No. 62

A Resolution Authorizing Budget Transfers and Adjustments

WHEREAS, the Town's Director of Fiscal Management has recommended that the following budget transfers and adjustment be accomplished:

A motion by Councilmember Williams, seconded by Councilmember Weaver, to adopt Resolution No. 62 of 2026.

BUDGET ADJUSTMENTS/ TRANSFERS	2026		
A-2680	Insurance Recoveries	Loss Police Vehicle Claim	4104.83
A-3120-4	Police Contractual	Loss Payable to New Country Toyota	4104.83
B-7140-4682	Browns Beach	Transfer	-1500.00
B-7140-4683	Glen Hollow	Transfer	1500.00

A roll call was taken on Resolution No. 62 of 2026 as follows:

Supervisor Kinowski	YES
Councilmember Vomacka	YES
Councilmember D'Ambro	YES
Councilmember Weaver	YES
Councilmember Williams	YES

Resolution No. 62 of 2026 was adopted at a meeting of the Town Board of the Town of Stillwater duly conducted on July 16, 2026.

Other Business

The board accepted the resignation of Mary Beth Riley from the Planning Board, with appreciation expressed for her years of dedicated service to the residents of the Town of Stillwater. However, the appointment of John LiVoti to fill the unexpired term was deferred to the next meeting.

Councilmember Weaver raised concerns about the appointment process, noting the importance of the position and the need to review Chapter 26 of town law governing Planning Board and Zoning Board appointments. The supervisor agreed to have town council and planning staff prepare a summary of the applicable appointment procedures for board review prior to the next meeting. The board confirmed this deferral would not cause any operational disruption to the Planning Board.

Councilmember Weaver, questioned, “Can the board approve the resignation acceptance now and defer the appointment”?

Supervisor Kinowski answered, Yes. The resolution was amended to accept Mary Beth Riley's resignation while removing the appointment clause, with the appointment to be addressed at the next meeting following review of town law.”

Councilmember Williams

Visited the public safety building and encouraged greater board presence at community events and facilities. The visit was well-received by staff.

Councilmember Vomacka

Reported the Black House Park Weddings: Two upcoming weddings are scheduled at Black House Park — one on August 2nd and one the following week — with a possible third event pending.

Highway Superintendent

The town clerk Danielle and Shelby met with the Saratoga County Sheriff's Department to review the WENS (Wireless Emergency Notification System), a free, county-funded emergency alert platform available to municipalities. The system allows authorized town staff — including Billy, Peter, Shelby, and Danielle to send targeted notifications to residents via phone call, text message, or email.

Residents must register through the county website to receive notifications, and can also register neighbors or elderly residents who lack internet access. The system allows geographic targeting using polygon or circular map areas, enabling notifications to be sent only to affected neighborhoods rather than the entire town.

The board approved publicizing the WENS sign-up through the local newspaper, Facebook, water bill inserts, and new homeowner welcome packets. WENS will replace the legacy Code Red system, which had been in use for over 20 years but had limited resident participation.

It was questioned, how does WENS differ from Code Red?

Supervisor Kinowski answered, both are emergency alert notification systems, but WENS is county-funded at no cost to the municipality, offers more granular geographic targeting, and provides reporting on message delivery and recipient engagement.

Town Clerk

Danielle raised the issue of enforcing the existing town code provision for a \$10 per month late fee on dog license renewals. The fee is already codified in town law but has not been actively enforced, resulting in residents renewing licenses months late without penalty. The software program currently shows \$0 for the late fee field, which will be corrected.

The board discussed implementation, including whether to send advance notice to residents. It was agreed that the late fee notice would be incorporated into the standard renewal letter sent approximately 30 days before expiration, clearly stating that a \$10 per month late fee will be assessed after the due date. No separate mass notification letter is required, as the fee is already in town law.

Councilmember D'Ambro questioned; Should the town send a separate notice to all dog owners before beginning enforcement?

Supervisor Kinowski and the board determined that including the late fee information on the standard renewal letter is sufficient, as the fee is already established in town code.

It was questioned if the \$10 fee is assessed once or every month?

Town Clerk answered, "the fee is \$10 per month for each month the renewal is late, as specified in the town code.

Danielle addressed the following:

- **Telephone Pole Removal:** A leaning telephone pole near the Black Train Bridge, identified as a safety hazard by residents, was successfully removed after coordination with DOT and Verizon.
- **Storybrook Cottage Marriage Package:** The local bed and breakfast has launched a marriage package program, with the owner serving as an ordained officiant.
- **Stop Sign Compliance:** A resident reported that drivers are not stopping at the corner of Sunrise and Gerba Road.
- **Voucher Signature Legibility:** The town clerk requested that highway and vendor staff print their names on vouchers to improve audit readability.
- **NIAT Legislative Conference:** The New York Association of Towns legislative conference is scheduled for September 22–23. Two resolutions were circulated for board consideration and potential support.

Parks & Recreation

See Report Attached.

Police Commission

See report attached.

Public Input

George Amador, President of Amador Group, addressed the board during public input to express appreciation for the town's collaborative approach to the development. He highlighted the demand for affordable, low-maintenance housing and commended the town's vision and zoning framework.

It was questioned, "Will certificates of occupancy be issued following this meeting?"

Mr Amador answered, "The building inspector had indicated he was prepared to issue COs as soon as the meeting concluded and the resolution was passed."

Audited Claims

The Town Clerk presented the Town Clerks monthly report (attached) and the following for the Town Boards review.

General	\$24363.21
Town Outside	\$55834.82
Highway	\$615835.27
Water	\$99536.05
Capital Projects	\$209790.00

Prepays for the month of June:

General A Fund	\$101309.03
General B Fund	\$44094.84
Highway	\$130233.14
Lighting	\$1696.28
Water/Sewer	\$45498.20
Trust & Agency	\$10428.84

Motion by Councilmember Vomacka and seconded by Councilmember Williams to pay the audited claims.

Motion carried.

Motion by Councilmember D'Ambro and seconded by Councilmember Weaver to adjourn into executive session to discuss item regarding a water contract with Saratoga County Water Authority.

Motion carried. (Note: The Town Board will or will not resume back into the regular Town Board meeting.)

The Town Board went into Executive Session at 8:15 pm.

Respectfully submitted by,

Danielle Cowin, Town Clerk

Town of Stillwater Parks & Recreation Department

Monthly Facilities and Operations Report July 2026

Glen Hollow Park

A total of 54 parties have been booked at Glen Hollow Park through September. Several clogged-toilet issues occurred earlier in the season; however, those problems appear to have been resolved.

For future seasons, we may consider keeping the restrooms locked during regular weekday use and opening them only for scheduled parties and events. A portable restroom could be provided for sports practices during the week. This approach may help reduce plumbing issues and make restroom cleaning and maintenance more manageable.

Due to the high number of scheduled parties, a small County Waste dumpster was installed for the remainder of the season. Although Glen Hollow is normally a carry-in, carry-out park, we found that this policy was not consistently being followed during larger gatherings.

The Highway Department's summer help team also repainted the park entrance sign.

There are no other major issues to report at this time.

Blockhouse Park

The Highway Department's summer help team repainted the posts supporting the Blockhouse Park sign, as well as the lettering on the "OPEN" sign.

Blockhouse Park hosted its first Waterfront Block Party on June 13. The event went well, with no significant issues reported. The Town was not involved in organizing or operating the event, aside from permitting the use of the park.

Riverside Baseball Field

The regular baseball season at Riverside Baseball Field is coming to an end, with fall ball scheduled to begin later in the year.

There have been a few instances of individuals using the field after hours. Additional signage has been installed to discourage unauthorized use.

All irrigation sprinkler heads on the baseball field have also been upgraded.

Riverfront Park

Garbage cans have been added specifically for the disposal of dog-waste bags, as visitors had been leaving filled bags on the ground. Ed Burmaster visits the park on Mondays, Wednesdays, and Fridays to empty the cans.

The park has also recently experienced an increase in informal gatherings and parties, making weekly inspections necessary.

It was recently brought to our attention that a very large tree was leaning and extending across the canoe launch area. Highway immediately took care of this and removed the tree.

Cambridge Court Playground

There are no major issues or parties to report at Cambridge Court Playground.

Jonathan recently repaired a severely damaged bench. Because replacing the bench presented several challenges, he was able to successfully repair and preserve the existing structure. Please see the accompanying photograph.

Brown's Beach

The July fireworks display was spectacular, as always. Thank you to Ed and the entire crew for their work in making the event a success.

No major incidents were reported, and over 2,000 visitors enjoyed the beach and festivities throughout the day. Mackenzie Macey also organized a 250th-anniversary activity area on the lawn from 9:00 a.m. until 7:00 p.m. This was a wonderful addition to this year's celebration.

Cleanup on Saturday took approximately two hours. Thank you to all of the volunteers and paid staff members who assisted.

Beach water samples are collected weekly by the Highway Water Department. To date, the test results have shown the lowest levels of Fecal and E Coli we have seen at this point in the season compared with previous years. Barely traceable. I share these results weekly with the Saratoga County Department of Health and Department of Water.

Brown's Beach Marina

Ed Kinowski, Jonathan, Ellen, and Tiara recently met with local veteran Larry Kilburn to discuss possible aquatic weed-removal services for the marina and beach areas.

After reviewing a preliminary cost of approximately \$1,500 for a single weed-removal service, it was decided not to move forward with this option. However, the ongoing aquatic weed problem around the docks remains unresolved, and alternative solutions will need to be explored.
